## **Culvert Project Update – 12/17/2024**

Dear Forest Hills Residents,

The Culvert Replacement Project is now significantly complete, and Forest Hills Drive is open. Due to a local power outage we were unable to put the entry gates back in service this afternoon, and the work is expected to take place tomorrow, December 18, 2024.

For any questions regarding these updates, please call 720-213-6621.

We appreciate your patience and understanding.

Sincerely,  
Management, FHMD
