Culvert Project Update – 10/28/2024

Dear Riva Chase and Panoramic View Residents:

The culvert repair project is underway and barricades and signs are being placed on Forest Hills Drive (FHD) near Nakota; FHD at the gatehouse; Genesee Ridge Road and FHD; FHD and Anasazi/Hill & Dale; Willobe Way and FHD; and Eastwood and Willobe Way. Additional directional signs have been posted at the keypad and entry island on FHD and on Eastwood at the bulletin board and fence. Larger directional signs will be posted by the end of the week on barricades once they have been placed.

The FHD main gate, Eastwood main gate and the FHD/Grapevine Road gate have all been placed in the open position and will remain so for the duration of the project.

As a reminder, if you normally use the main gate on Forest Hills Drive to access your home, you will need to enter through the emergency gate at Forest Hills Drive and Grapevine. Please make sure to advise your guests and vendors of this change. Willobe Way will only be accessible through the Eastwood gate.

We appreciate your continued understanding and patience.

Your Board of Directors and
Ronda Zivalich
FHMD District Manager
