New Management – Public Alliance

Dear Residents,

I hope this letter finds you well. I am writing to inform you that Public Alliance has been selected to provide professional management services for the Forest Hills Metropolitan District, effective January 1, 2025. We are excited to be part of this beautiful mountain community and look forward to continuing the excellent service you have come to expect from your former manager, Ronda Zivalich who will be enjoying her well-deserved retirement.

Our team brings years of expertise in metropolitan district management, and we are committed to delivering excellent service. We will be overseeing the day-to-day operations, maintenance, and improvements of the community. AJ Beckman will be taking over as the District Manager and will be assisted by Nick Moncada serving as Field Services Manager.
